

THE GEM CITY GUN CLUB BULLET TEN

Gem City Gun Club, Inc. 8865 Donlin Rd. Erie, PA
*Published for the Club Members -Who Together Comprise one of the
Largest and Most Diverse Gun Clubs in the Tri-State Area*

STATE OF THE CLUB

Dave Hanes

THESE ARE VERY EXCITING times for this club. Several events and programs have taken place, or will take place in the near future, that draw positive attention to our club in the eye of the shooting community and hopefully in the general public's eye as well.

In addition to our great shooting sports menu and well-kept ranges, our outstanding Junior Rifle program has tuned out many fine young men and women with their demonstrable performances at Camp Perry - and beyond. We have a fine Hunter Safety Training program; we took part in

the PA 28th Inf. Div. reunion; our ranges provide an important training venue for many local, state, and federal law enforcement agencies; we plan on manning a booth at the upcoming Erie Outdoors Expo; and, a few weeks ago, we even made the front page of the Erie Times!

Now, I'm pleased to announce that on 17 November we will host a Town Hall meeting with **Rep. Phil English** and other local representatives, and probably a surprise guest that I can't name yet, who will field your concerns in a Q&A forum. I hope to see you there.

GEM CITY GUN CLUB NEEDS YOU!

Matt Dylewski

GEM CITY GUN CLUB has some new directors. Please allow me to introduce them to you. New to the position of **President** is **Dave Hanes**. New to the position of **Vice President** is **Matt Dylewski**. Continuing on in their positions are **Secretary Joe R. Paradisi**, **Treasurer Joe J. Paradisi**.

Other **Directors** are: **Ben Jendruzak**, **Fred Harris**, **Joe Lander**, **John Malmgren** and **Tim Bender**. Please be sure to thank these individuals for their time in helping to keep this club running smoothly.

The past year has been a busy one for Gem City. The Club was able to add a new ventilation system to the indoor shooting range and we were able to run a successful Gun Show. We are also working on getting a booth at the Erie Outdoors Expo to be held at the new Convention Center.

The club is able to take care of these projects because of the work of the Board and also the continuing membership base that we are lucky to have. This club exists because of YOU and no one else.

We offer Hunters Safety classes

and we also have several shooting activities such as Junior Rifle, Practical Pistol, Bullseye Pistol, High Power Rifle and Trap. We also have the indoor range open on Tuesdays and Thursdays in the morning and evening.

Unfortunately, a few of our activities have come to a close and we could use some help in getting them going. Namely 3D Archery is in need of a director. We also could use some help from our membership from those that may have NRA certification in Basic Pistol and Rifle Training and can setup some basic training classes in those disciplines. I am working on an Introduction to Practical Shooting class.

All of these programs can become a reality if we can get the help we need, but that all depends on you, our membership.

So, if you have the time, please lend a hand with an existing activity or offer to startup something new. The limits to what we can offer are only limited by the amount of help that we can get. Please stop in to a monthly meeting and let us know how you can help.
