

## U.S.P.S.A. / I.P.S.C. Orientation

Saturday February 15<sup>th</sup> 10:00 AM  
Gem City Gun Club  
8865 Donlin Road  
Harborcreek, PA

Do you have an interest in “**Action Shooting**”? Maybe you’ve heard of IPSC or USPSA shooting and want to know more? Well **Gem City Gun Club** is holding a new competitor orientation on Saturday February 15<sup>th</sup> 2014. The orientation is free and open to anyone interested in learning more about this style of shooting. The items covered include:

USPSA rules  
Equipment  
Gun Handling  
Safety Issues

After some time in the classroom we will head into our indoor range to shoot 2 courses of fire – around 30-40 rounds.

This is a great time to get started! There will be experience range officers and shooters there to answer questions and help you get started. Even if you don’t want to shoot yet and just want to see what it is all about come on out. The class is on no matter what the weather is.

Here is a list of things you should plan on bringing:

- **Hearing and eye protection.** Ear plugs or muffs are fine
- **Handgun** – any center fire gun 9mm or greater. No .22’s, single shots or single action revolvers.
- **Ammunition** – a box of 50 will be fine for the day.
- **Magazines** – or moonclips/speed loaders for the revolvers. You should bring enough to shoot 20-30 rounds at one time.
- **Holster** – Any holster that attaches to your belt will work fine. The holster **MUST** cover the trigger guard. No thigh, shoulder or cross-draw holsters please.
- **Magazine pouches** – if you don’t have these, your pants pockets will work for now.

If you have any question please contact **Matt Dylewski**
